Shop Mechanic

Boyer, Inc. is currently looking for an experienced and proficient Shop Mechanic. The typical workweek runs 50 hours, although extra hours may be required for emergency repairs. Must also have the ability to work nights, weekends and be on call if required to service an ongoing project.

Qualified applicants must possess the following:

- High School diploma/GED
- 5+ Years minimum in diesel mechanic experience
- Must have own hand tools
- Ability to work independently and to complete daily activities according to work schedule
- Ability to understand and complete necessary paperwork in a timely manner
- Must be on time to work daily with a positive, ready to work attitude
- Must be able to take direction and get along with co workers

Qualified applicants must be able to perform a variety of activities designed to service, repair and maintain pieces of Boyer-owned heavy equipment including but not limited to the below:-

- Troubleshoot Diesel Engines
- Perform Hydraulic & Electrical repairs
- Perform repairs and maintenance on Heavy Equipment, Trucks and Trailers to maximize safe and productive operations
- Perform inspections and preventive maintenance
- Diagnose and make repairs under minimal supervision

Boyer, Inc. is a Drug-Free workplace and will conduct a pre-employment drug screen.

Boyer, Inc. is an equal opportunity employer and will not discriminate against any individual, employee, or application for employment on the basis of race, color, marital status, religion, age, sex, sexual orientation, national origin, handicap, or any other legally protected status recognized by federal, state or local law.
